

ÁDÁM SZÉCSÉNYI

EDUCATION

2011-2016
Közgazdasági
Politechnikum

High School
Degree

Acquired B2 language exam in English as well as advanced level final exams in English language and Mathematics and medium level final exams in Physics and IT. Also learned typewriting and presentation in front of large audience.

2016-2020
Eötvös Loránd
University

Bachelor degree
in Physics

Had experience in Python, C, JAVA programming languages as well as advanced level mathematics (calculus, differential equations, vector algebra, etc.) and physics.

WORK EXPERIENCE

2019-2022
Kürt Alapítványi
Gimnázium

Physics Teacher

I was a 'Natural Sciences' teacher and later became teacher of Physics in English language. I always had good relationship with students who acquired good marks on their final exam. I was also the administrator of the electronic journal in the school for a year and taught IT.
